## General Business

Minutes of previous AGM tabled

Greg provided a brief overview of the clubs finances

Moved: Neil Felthouse

Seconded: Dawn Highway

1. Motion read to propose increase in membership fees from \$50 per year to \$60 per year. Agreed unanimously

2. There was discussion regarding the conducting of the 2018 National Corvette Convention. We need to make a firm decision tonight as we have carried over our turn in 2016 due to lack of interest by members and lack of ongoing interstate support for a truly national event. It was agreed that the club will run a convention in 2018. Greg to advise Corvettes of NSW asap.

There was some general discussion re club apparel. Further action required. .

Meeting closed 8.10pm
