Seconded - Greg

Membership Report: As per attached

Moved - David J

Second - Keith Patching

Business Arising:

Webmaster: Richard indicated that we only have ~ 30 members cars shown on our website. Asks that more members supply him their car details a photos. Also reminded club that “spare parts for sale” is available for members to list items for sale.

Club Magazine:

Doug asks for articles for the magazine.

404 - CNC:

Ron told about an audit carried out by DoT on 404 licensees. Of approximately 10,000 404 licences out there, only 1,300 have not been done correctly or are not being managed correctly by the licence. He points out that they are actually keeping tabs on this, so it is important that 404 club licensees keep things up to date, fill in form on our website for impromptu drives etc etc..

The Veteran CC of WA are looking at building an app for mobile phones to make this process happen more easily and with better access.

Social Club Report:

Natalia discussed Xmas in July this Sunday. We will have a raffle and auction at the event. Road Trip Oct 22-26 spaces filling fast, bottleneck in Pemberton hotel accommodation, so members urged to book now.

Hillarys show was a success with 20 cars.

Presidents Report:

National body will not move forward till next national meeting.

Only WA has declined to be a member.

Darryl suggested that all club presidents should have a discussion on this initiative.

Ron pointed out that we get free advertising via the national body website.

Andy suggested we sit back and see what will happen, it may be that the only tangible effect or outcome will be the website itself.
