**PRESIDENTS ADDRESS**

Welcome everyone to our 2022 AGM.

This year was an historic one for our club and our cars in so much as we saw the first ever 2021 rear engine Corvette in WA and featured in our Clubs display at the Ascot Perth Car Show. Special thanks to owners Claude and Sonja Marais for their support on the day.

Our Club again was able to put on a fantastic turnout of cars and members on the day and it continues to be our major show event of the calendar year.

Our membership, seemingly as always ebbs and flows with membership numbers topping 136 for the years end.

Our Clubs committee faced a series of challenges during the year which saw four members resign from committee and two from the club.

As stand in President, I'm confident that the issues arising, that in general terms caused the resignations as mentioned, have been resolved and have been put to bed.

I would like to thank all current committee present for their efforts during the last 12 months and I would like to acknowledge Greg Walker for taking a stand in Vice President role and more recently Richard Webb for taking on the role as Club Magazine Editor in addition to his Webmaster role.

Our Club has enjoyed a great social calendar of events throughout the last 12 months and special thanks to Nat for her continuing efforts in that regard. Like all clubs our success revolves around the social activities and to that end Nat's work was fantastic. This year's country run was the longest in terms of kms and days away but I believe was the best to date and I would like to acknowledge Andy Weatherburn's assistance to Nat to make that possible.

Financially, our Club continues to remain on a solid fiscal footing and our invested funds continue to provide a range of subsidies in promoting club activities. We will more from Glen shortly.

During the year all clubs affiliated under Combined Car Clubs were subject to Concessional use audit by Department of Transport. Our Club passed with flying colours. Well done to all Concessional members for committing to the system.

David Jennings queried that rationale for the club holding its funds when other clubs “appear” to have less. There was some general discussion regarding club’s funds, how they were obtained in the first instance and how the funds were intended to be managed.

#### MEMBERSHIP REPORT

Kevin advised that the Club currently had 134 members in the Registry. As of this date 103 (77%) are financial. Membership remains strong.

REPORT MOVED John LYFORD and SECONDED Frank VITALONE

#### SOCIAL REPORT

We have continued to get good turnouts at our scheduled cruises throughout the year. As always if members have any suggestions for venues to visit or good roads to explore please let me know.

Our most recent runs have included -

King Road Brewery

Mount Helena Tavern

Avocados - (cancelled due to bad weather)

Chidlow Tavern

Noble Falls Tavern

Our annual weekend away last October was extended to a 4 night road trip with 2 nights in Albany followed by 1 night in Walpole and 1 night in Pemberton. It was a huge success with 37 members in 20 Cars coming along and a great time was had by all.

Planning is underway for this year’s trip and we will have more details available shortly.

Our Christmas function was once again held at Mulberry Estate in Caversham and we had 88 guests in attendance with 40 Corvettes on display out on the lawn. Due to the popularity of the venue, I will be looking to book it again for this year’s Christmas function.

The Ascot Classic Car Show was held on Sunday May 1st. Corvettes of WA once again had the prime position right inside the entry and we had over 30 cars on display ranging from C1 - C8

Our Xmas in July function was held last weekend at Hillary’s Yacht Club. It was a lovely venue and the buffet was delicious. Unfortunately, a few members had to pull out at short notice due to Covid but we had 52 in attendance. The lucky door prize winner was Peter Dabelstein and the 1st prize in the raffle was won by Jeff Hellier who took home a huge hamper.
