A quick recap on the cruises we have done since the last meeting. On Wednesday April 3rd we had run up to the Kalamunda Hotel. Our Sunday cruise on April 21st saw 13 Corvettes travel up to the Cola Cafe in Toodyay for a nice lunch.

We didn't have any cruises in May as Andy and I were away in America for a month.

I changed the date for our June Wednesday cruise which should have been on today due to the clash of date with tonight's General Meeting. Our next cruise will now be held on Wednesday June 12th and we'll be going to the Vale Tavern Yangebup. Meeting at HJ's Bullcreek. This will go ahead rain, hail or shine so if it's too wet to bring the Vette come in the daily.

The June Sunday cruise will now be held on June 23rd.

I will continue to plan cruises throughout winter but please keep an eye on your emails as plans may change or be cancelled at short notice due to the weather forecast.

3rd July - Wednesday Cruise

28th July - Christmas in July at Royal Fremantle Golf Club 7th August - Wednesday Cruise 18th August - Sunday Cruise

8th September - Ascot Classic Car Show 6th October - Curtin FM Car Show / GM Day

30 registered to attend Xmas in July so far. Will finalise the Christmas themed menu in next few days and publish. Need final numbers by early July. Several have registered but not yet paid. \$50 member/\$100 couple.

Curtin FM Car Show/ GM Owners Day merging. Curtin on one oval, GM on the other adjoining oval. We've got a choice on where we display. Any preferences or do we stay in our usual spot with shade? Anyone who went last year should remember how hot and muggy it was.

We've been invited to a Show n Shine at Wongan Hills on November 2nd. Looks like it would be a good day. Is there any interest if I was to register the club to attend?

We've also received an invite to join the Aston Martin Club on some runs. One of which clashes with our Xmas in July function but the other suggested dates look clear at this stage. One being a run out to the Harvey Cheese Factory on August 4th. Is there any interest in this or other combined car club runs?
