**A big thank you to the members regularly attend meetings and drives. You keep the club healthy and rolling along. Over the past year the club has been well represented at various car shows and show and shines. We generally attract a member or two at these events. We have been able to continue to support Make a Wish Foundation Australia with a donation of \$2,000 also we have been able to encourage participation in our Christmas in July, weekend away and Christmas dinner by providing subsidised event costs to members. Corvettes of WA was formed by a small group of enthusiasts in August 1979. After a few years to get organised the club was incorporated on Feb.18, 1986. Our club has grown to a membership that consistently remains around 100, plus their partners who according to the constitution are also known as members. Corvettes of WA remains healthy, well supported, active and secure. You the members have made it so.**
