WEB

Scott not in attendance.

The President advised that the committee determined that the website doesn't need to be upgraded at a minimum expense of \$1,000 but that information content needs to be current. Recently Scott has managed to get the updated club application form, the 3 previous magazines and the Constitution (the form is altered slightly but the content is there) onto the website.

David Jennings asked why the committee determined not to spend the money, with our present financial position being as sound as it is? Scott had informed the committee that the website, without cost, has increased the upload limits from 2mb. to 10mb. and that he was now better able to put material on the website. The committee determined the website needed updating rather than upgrading. Our webmaster, Scott, is one of our committee people who has indicated he will not be nominating as webmaster at the AGM in July. Members are encouraged to nominate for webmaster if they have some basic website administration skills.

GENERAL BUSINESS

1. Richard encouraged everyone present to consider taking a position on the Committee. The AGM will be held early July at which all positions will be deemed vacant and open to nominations. If you have been a member for a lot of years, it is an opportunity to give something back, or are a new member, it is a chance to participate in directing the club into the future.
2. The floor was asked to indicate by show of hands, who might be interested in purchasing a new club polo shirt. There was not much response, however, it was suggested that the committee consider purchasing new polo shirts, stubby holders and hats to have on hand. The president will enquire as to number of units required, cost etc. before the next committee meeting.

3. The question was asked from the floor whether the donation to Make A Wish Australia as approved at the last meeting has been sent yet. The President will contact Make a Wish Australia and see that this is done.
4. Kevin asked if there were any Corvettes of WA bumper stickers held by past or present committee people. It was resolved that there are not any old stickers left. Ron will research the current day producers, the price, and the minimum order size, of getting some new bumper stickers made.
5. Attention was drawn to the Saturday West article of February 23-24 in which Samantha Jolly posed with her red !980 Corvette. It was suggested that the President send her an email making her aware of Corvettes of WA.

Meeting closed at 8:12 PM
