GENERAL BUSINESS

1. Richard encouraged everyone present to consider taking a position on the Committee. The AGM will be held early July at which all positions will be deemed vacant and open to nominations. If you have been a member for a lot of years, it is an opportunity to give something back, or are a new member, it is a chance to participate in directing the club into the future.
2. Andy W. responded to a question from the floor regarding Friday Night Cruises being on the calendar with no information. He advised that if we have a destination it will be posted. Suggested destinations are welcome.
3. Don H. advised that he has a hoist and frame to fit C1-C3 Corvettes. This is available for members' use wishing to take a car body off the frame.
4. Darryl questioned the committee whether or not we need to submit to CAMS (our liability insurers) advice of events. Richard will look into it.
